"The platform for the Democratic party to stand on next year year is reform," Mr Daniels said, adding; "Republican oil pudding, corruption in elections, the party's treatment of the World War veterans, are all issues which the Democratic party should take a decided stand on."

The special session of the General Assembly did a good thing when it established a special court of appeals, which will help relieve the congested docket of our highest court and give the court proper time to digest and prepare opinions. Life on our Supreme Court benches has been a burden with poor pay. These judges should have every comfort and consideration and remunerative salaries. They not only constrive our law, but their opinions is the law.

Senator Ferguson, Clerk Smith, Comr. Revenue O'Brien, Supervisor Anderson, are so far without opposition. There is no candidate for Legislature from Appomattox, but Buckingham has put forward these candidates. The fight for local offices stands as follows: For Treasurer—R. L. Burke and Dr. D. N. Twymar. For attorney for Commonwealth—J. W. Flood and A. H. Clement. For Supervisor—Clover Hill district—E. M. Drinkard and A. F. O'Brien For Supervisor—Southside district—Clarence S. McDearmon and Don Moses. These Democratic horses are properly groomed and the people are to witness a pretty finish at the Primary August 2nd.

Tax Reduction Refused

The Board of Supervisors yesterday refused to reduce the levy 10 cents on $100 worth of property in the county over the earnest protest of the editor of this paper We are satisfied that the board could have reduced the tax rate in Appomattox county had it desired to do so without in anyway impairing any of its projects. The surplus which has been carried from year to year would have been reduced about $1800.

The people are to blame for the loss to them of this reduction, because very few of them took any interest in the matter and the board felt that there was no demand for the reduction, so the board voted unanimously to lay the levy at the old figures.

Of course the reduction of 25c on $100 taken off State taxes will help. We regret the refusal of the Board and the small interest taken by the people and we hope the people will not be heard again to complain of high taxes in Appomattox County.

New Goodyear Value
For Ford and Chevrolet Owners

Goodyear has developed a Balloon Tire tread which matches the Goodyear Balloon carcass of Supertwist Cord.

It is the famous Goodyear All-Weather Tread scientifically redesigned for Balloon Tire use.

The sharp-edged, diamond-shaped blocks are placed in a semi-flat design. These blocks grip the road and retain their usefulness longer than any tread heretofore offered.

Long, slow, even tread wear is assured. "Cupping" and uneven wear, so common to many Balloon Tires, are practically eliminated.

Announcement of Candidacy

Having been petitioned by more than twelve hundred (1200) Democratic voters, I will be a candidate to succeed myself as Commonwealth's Attorney subject to the action of the Democratic Primary to be held August 2nd, 1927.

I wish to call your attention to my record as Commonwealth's Attorney which is open to the inspection of any one at the Clerk's Office of Appomattox County. The records show that I have prosecuted one hundred and seven (107) cases, ninety-five (95) were convicted and only twelve (12) acquitted.

That you may know how my record compares with adjoining counties, I will quote the following figures compiled by the Clerks of these Counties from their records.

	cases tried	convicted	acquitted	per cent convicted	per cent acquitted
Appoma tox	107	95	12	89	11
Buckingham	125	114	40	74	26
Charlotte	211	175	36	83	17
Prince E.	182	156	27	85	15

These figures show that the percentage of convictions have been higher and acquitals lower in Appomattox than any of the adjoining counties quoted. I will quote figures for the adjoining counties of Campbell, Amherst, and Nelson as soon as I can get them.

Upon this record I ask your support and vote, which I will greatly appreciate.

JOEL W. FLOOD.

Make Every Acre Pay

You, too, with V-C Fertilizers, can make every acre pay---get larger yields and more clear profit ---and that is what counts.

Other farmers around you have found that it pays to use V-C Fertilizers. They figure that their increased yields make every pound or bushel of their crops cost less. Their acres pay them.

V-C Fertilizers will help you make more profit because they are made for the crops you grow.

I have just V-C grades you will want for Tobacco, Corn and other crops. Place your order now.
